# Community Service Project Fundraiser

## Our Vision

To improve life in our community

Our long term goal is to improve the chances of success and increase the literacy rate in the Iberekodo and Eleko communities close to the free trade zone and give these children a chance to become successful in life. We teach over 100 children in these communities and want to even the odds against them and bridge the gap between them and their counterparts from better privileged homes. To make them more educated and improve their chances of being successful people. We aim to raise 500,000 Naira (Five-hundred thousand Naira) before 11<sup>th</sup> of December 2017 to achieve our objectives listed on the right.

### Town Hall Renovation

We are going to renovate the Iberekodo community center where we give our lessons. The town center is currently in a deplorable condition and unfit for learning

### Purchase/Supply of Teaching Materials

We continuously purchase teaching aids such as charts, blackboards, textbooks, notebooks, pens and other writing materials.

### Christmas Party

We want to put a smile on the faces of all our children this christmas period by throwing them a party. We also want to feed them every lesson

## ADDITIONAL INFORMATION

The Community Service Project is an initiative of the Pan-Atlantic University with the aim to provide opportunities for meaningful services to the surrounding communities through the participation of students. We are going to embark on more projects and our educational empowerment is just one of many services we aim to offer in order to serve our community and build a better Nigeria.

We will be sending reports to all our donors stating how their donations have been used and the reports will also be available on our website. Thank you
